DEVELOPMENTAL PSYCHOLOGY

A bi-monthly journal from APA

The subject matter will be broad in scope. "Development" will be treated as a process extending throughout the life cycle of both humans and animals. The majority of the articles will be reports of original research, but theoretical discussions will also be included.

Editor: Boyd R. McCandless

Frequency of Publication:

Bi-monthly; one volume (approximately 400 pages) per calender year—six issues per volume.

Subscription Price: $10.00 per volume

Subscriptions are now being accepted and should be sent to:
